Simplify your dental care and save.

Trips to the dentist are a little less upsetting when you know how much you'll pay ahead of time. And easier, too, with no claim forms or deductibles.

Here's how this important coverage works.

- You choose a participating dentist. To find one now, visit ldc.lfg.com and select **Find a Dentist**. You can also print your dental ID card from this site once your coverage begins.
- This dental plan offers a detailed list of covered procedures, each with an assigned copayment (see the Schedule of Benefits for details). You pay for services provided during your visit.
- Emergency care away from home for the relief of dental pain is covered up to \$100 per occurrence. A complete Summary of Benefits is included in the following pages.

It's easy to find a dentist in your area.

- Visit ldc.lfg.com.
- You can search by:
 - Location
 - Dentist name or office name
 - Distance you are willing to travel
 - Specialty, language, and more

Your search will automatically provide up to 10 dentists that most closely match your criteria. If your search does not locate your preferred dentist, you can nominate one — just click **Find a Form**, then complete and submit the appropriate form.
